Management in Oncology

“Oncology Management Fast Track”

**2007 - 2011**

Residency School in Medical Oncology  
University of Padova

Medical management and molecular basis of solid tumors

**Medical Oncology Specialty (70/70 with honors)**

July 2007

Ordine dei Medici Chirurghi e degli Odontoiatri di Venezia

Licensed physician

Licensed physician registered with the Medical Association of Venice (Ordine dei Medici Chirurghi e degli Odontoiatri di Venezia), registration no. 06465.

**2006**

University of Padova

Medicine

**Degree in Medicine (M.D.- Medical Doctor) (110/110)**

## **Clinical and Research Coordination Roles**

**From April 2021 – Present:**

**Co-Lead clinician for gastrointestinal malignancies**

Medical Oncology 1, Veneto Institute of Oncology – IOV-IRCCS, Padua  
(Coordinator of the gastrointestinal oncology team).

**Multidisciplinary Oncology Groups - Official institutional roles in Inter-Hospital Multidisciplinary Oncology Groups (pursuant to Decree 760, 19/11/2020):**

**Neuroendocrine Tumors 2023–Present:** Scientific lead and coordinator for quality improvement and on-the-job training.

- 2021–2022: Scientific lead and coordinator for quality improvement

and training.

- 2017–2020: Coordinator for quality improvement and training.

**Colorectal Cancer: 2024:** Scientific lead and coordinator for quality improvement and on-the-job training.

- 2020–2023: Representative for colorectal pathology.

### **Clinical Pathways (PDTA)**

**Participation in the development of care pathways within the Veneto Oncology Network:**

- Neuroendocrine tumors PDTA
- Peritoneal tumors PDTA

### **Additional contributions:**

- Member of the Veneto Region working group for the clinical and surveillance pathway for individuals with hereditary colorectal and endometrial cancers (Regional Decree No. 125, November 10, 2017).
- Member of the IOV working group for the development of care pathways for healthy individuals at high hereditary-familial risk for breast, ovarian, pancreatic, and prostate cancers (2023).
- Member of the IOV working group for the implementation of local PDTA for patients with colon cancer (2023).

### **Activities within the Veneto Oncology Network (ROV, now CRAO)**

#### **Since 2021 – Present:**

Involved as a disease-specific expert oncologist in activities related to:

- technical expert group for drug assessment
- PDTA drafting and updates
- Disease-specific analyses by CRITE (Regional Commission for Innovative Therapies Evaluation)

Focus: Neuroendocrine and hepato-bilio-pancreatic cancers.

### **Clinical Guidelines**

#### **Since November 2023 – Present:**

**Contributing author** of AIOM (Italian Association of Medical Oncology) Clinical Guidelines for **esophageal cancer**.

## **Teaching and Training Activities**

**Clinical tutor** for medical oncology residents at the Veneto Institute of Oncology – IOV-IRCCS (continuous activity since [year])

**Supervisor and mentor** for thesis projects and clinical research activities of medical students and oncology fellows

**Lecturer** in national and regional training courses on gastrointestinal oncology, neuroendocrine tumors, and palliative care

**Faculty member** in ECM-accredited (Continuing Medical Education) courses for healthcare professionals

**Speaker and moderator** at national and international oncology congresses (AIOM, ESMO, ENETS, ASCO)

**Coordinator** of on-the-job training and quality improvement initiatives within multidisciplinary tumor boards (GOM)

**Contributor** to internal clinical education programs at IOV-IRCCS on innovative therapies, biomarkers, and personalized medicine

**Lecturer** in *Gastrointestinal Cancer Oncology* for the 2nd Level Master's

**PERSONAL SKILLS**

**AND COMPETENCES**

*Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.*
