You can then use this page to monitor and manage the publications that will display on your public profile, Publons CV, and in the graphs and metrics here on your dashboard. Learn more about your publications on Publons.' At the bottom of the main content area, a large text message reads: 'You have not yet added any of your publications.'

Below the header, it says 'We have found 11\* publications that match your email addresses and/or names. Click to see the results and use the filters to select all your publications indexed in *Web of Science*.' A teal button with white text 'SEE MY WEB OF SCIENCE PUBLICATIONS' is highlighted with a green rounded rectangle. Below the button, it says '\* this excludes publications we have already added to your profile'. At the bottom of the main content area, there are three expandable sections: 'Sync with ORCID' (with a down arrow), 'Import by identifier (e.g. title or DOI)' (with a down arrow), and 'Import by file upload (RIS, CSV, or BIBTEX)' (with a down arrow).
